FRIDAY MARCH 20, 2020

Last Sunday we gathered together as a family of faith to express our love for God and to encourage one another.

This week things have changed.

The number of those who have tested positive for COVID-19 has increased, and Governor Pritzker has issued a Stay at Home Order for the entire state of Illinois.

We are not living in times of Christian persecution nor are officials asking us to renounce our faith; rather we are being asked to be considerate of guidelines that will assist in containing this virus.

Next Steps

1) We will suspend Sunday worship until the small gathering restriction is changed to a larger number.

2) We will continue to suspend all gatherings, meetings, and rehearsals until further notice.

3) We will develop our multimedia ministry, and we will begin to utilize various technologies that will help us stay connected in these trying times.

4) Please check on ANYONE that rests on your heart. We need each other in this season, and no one should be left behind.

To each of you, I love with the love of Christ,
Sincerely,

William E .Hall
Lead Pastor
